Masai Mara National Reserve

This is where it all begins, where you join us on the first step of our journey together. You'll meet your friendly expert guide and we'll get the formalities out of the way quickly so that we can get out there and start enjoying the safari you've been dreaming of.

Welcome to one of the best safari destinations in Kenya. Here in the Masai Mara National Reserve, you're almost certain to see lions, hyenas, hippos, elephants, giraffes, wildebeests, buffaloes, impalas and zebras, not to mention the more-than-500 species of birds that have been recorded here. There's also a good chance you'll encounter leopards and cheetahs, while you might also see black rhinos in the Mara Triangle. Another memorable thing about visiting the Masai Mara is the landscape of vast savannah grasslands with plenty of flat-topped acacia trees.
