# Tsavo East National Park

Your safari starts here, and we're so excited to be here with you. Meet your guide and ask any questions you may have. Then let's go out together and go on the safari you've been waiting for.

There's a good chance you'll see male lions without manes and elephants that have a strange red color (from taking a bath in the park's red dust) here in Tsavo East. Out on the dry plains in the east of the park, cheetahs are often seen hunting. You can also look for Somali ostrich (which is seen nowhere else this far south in Kenya), gerenuk (the antelope that wants to be a giraffe) and the hard-to-spot hirola antelope. Apart from the Somali ostrich, nearly 500 bird species have been recorded at Tsavo East.

## Ashnil Aruba Lodge

Tented camp | Inside Tsavo East National Park

Staying at Ashnil Aruba Lodge puts you right in the heart of Tsavo East, and the location (near Aruba Dam and the plains in the heart of the park) is excellent for seeing wildlife that might include elephants, lions and cheetahs. Accommodation is in safari tents or rooms, all nicely decorated with safari-themed decor. There's a swimming pool, bar and restaurant.

# Tsavo West National Park

Enjoy getting to know Tsavo West, with its stunning landscapes and interesting populations of elephants (which often look red because of the Tsavo dust in which they bathe) and lions (many of the males don't have manes). You also have a chance of seeing rhino, hippo, hyena, buffalo, zebra, giraffe and even leopard, as well as many different kinds of birds (over 400 types have been seen here).

Accommodation | Day 3

## Kilaguni Serena Safari Lodge

Lodge | Inside Tsavo West National Park

Your base here in Tsavo West National Park is Kilaguni Serena Safari Lodge, an old-style lodge with spacious rooms that have plenty of safari personality, and big Mt Kilimanjaro views from the restaurant. The lodge also overlooks a waterhole and has a swimming pool. Some of the best landscapes and wildlife viewing in the park are also nearby.

# Amboseli National Park

You'll be visiting one of the best safari parks in Africa when you come to Amboseli. The park is filled with big-tusked elephants, and Mt Kilimanjaro, Africa's highest mountain (5895m), looms over Amboseli. This combination makes for some fantastic photos, especially when the clouds clear over the summit as they do most days around sunrise and sunset. You also have a good chance of seeing lions, cheetahs, hyenas, zebras, buffaloes, giraffes (out in the park's east), wildebeests and plenty of gazelles. The park is also terrific for birding, with 420 species recorded.

### **Amboseli Serena Safari Lodge**

Lodge | Inside Amboseli National Park

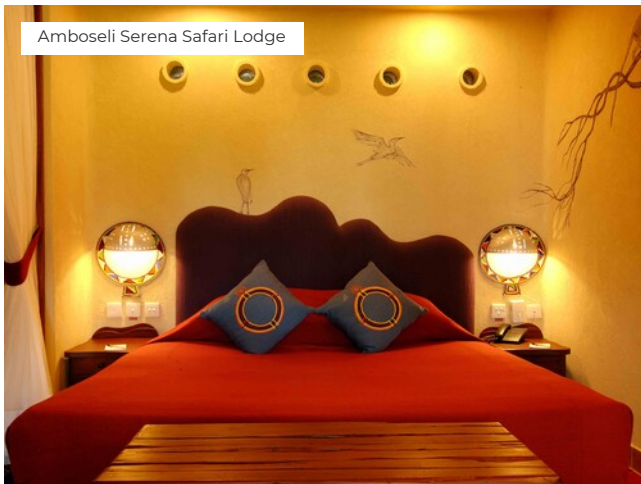

Your base in Amboseli National Park is the excellent Amboseli Serena Safari Lodge. It has the advantage of being one of just a handful of places inside the park: as soon as you leave the lodge grounds, you're in the heart of the park's incredible wildlife areas. Facilities include restaurant, bar, swimming pool and gift shop, and classic safari colors adorn the large rooms.

You'll return to Amboseli National Park for more wildlife photos with Mt Kilimanjaro as a backdrop.

It's a pity that it has to end, but this is where your safari will draw to a close. We're sure that you will return home with so many exciting and happy memories, and we hope that you will join us again on safari sometime in the future.
